

Annual Spring Event Bingo - April 13, 2019

by Gary Lockett

On April 13th, 48 TIHAA members and guests attended the Annual Spring Bingo Event at the Texas Instruments Sugar Land facility.

Special thanks go to **Della DuHart** for putting together the tasty lunch of sandwiches, chips, cookies, and a cold drink — all for \$4 — such a deal!

Thanks go to **Lola McMann** for handling the sign ups and the sign in sheets at the door, and coordinator **Gary Lockett** for obtaining the gifts and doing the Bingo number calling. Other volunteers: Corall Harrington, Jean Houston, Estella Garcia, Joe McMann and Lawson Cook (photos) also helped out.

After the excellent lunch, we held the White Elephant Bingo, with a cover all game. Everyone is a winner and there were even

a few extra prizes. After a short break for refreshments and conversation, we began the Super Bingo games, which participants purchase Bingo cards for \$5 each, with the opportunity to win cash prizes.

Congratulations to Norma Gann for winning the \$100 grand prize. The \$25 winners were Eugene Cisneros, Mary Green, Ralph Garcia, Lola McMann, Fermina Sutter and Gladys Price. Tony Leigh won 2 tickets to a THIAA day trip of his choice.

After a fun afternoon of food, prizes, and friendship

everyone left looking forward to another great Bingo event in 2020.

We extend a hearty thank you to **Donna Manderscheid** and Texas Instruments Sugar Land for allowing us to use their facility again this year at no charge.

Now, don't you wish that you had been with us to enjoy this fellowship with your ex-Texas Instruments co-workers? Where else can you have the fun, good food and have such a very good chance to win a nice cash prize too? This year it was a 1 in 6 chance — much better than the Texas Lottery!! Plan to attend our next event or day trip.
