

TIHAA Christmas Party - December 4, 2015

by
Della DuHart

The TIHAA Christmas Party was held again at the Crowne Plaza Suites on the Southwest Freeway near Sugar Land, with a total of 60 members and guests, dressed in their finest attire and ready to party.

Upon arriving, photos were taken in front of the lovely Christmas tree by **Lawson Cook**. You will see them in the next few pages

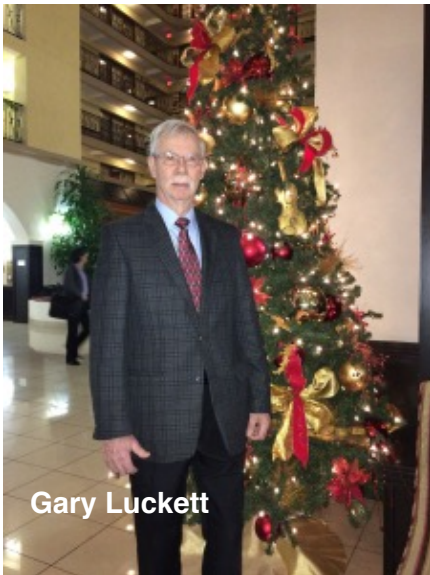

Attendees were then greeted at the sign-in table by **Dorothy Wanza**, who had a smile on her face that let you know that it was going to be an evening to enjoy. And of course, just around the corner was a cash bar opened to those who desired to have something stronger than tea or coffee.

As we entered the party room, D.J. Rock started the music and we knew then it was time to get our groove on. The room was nicely decorated with fancy tables, lots of gifts, good food and most of all, people who LOVE to socialize together.

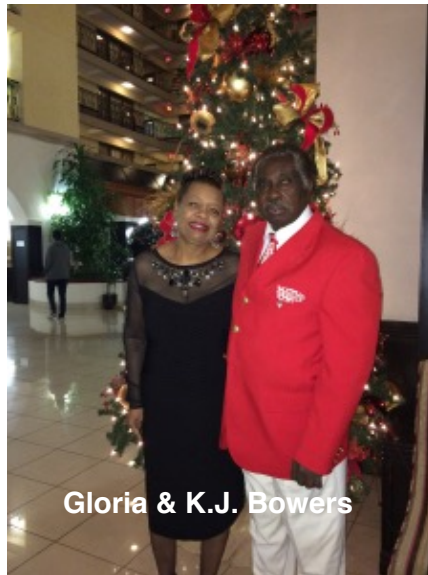

We were graced by the blessing of the food by **Thomas Johnson**. After getting full of a tasty dinner and some of us unable to move right, we sat and talked for a while.

Then it was time for Santa's helpers, **Della DuHart** and **Gary Luckett** to hand out gifts from that lucky bowl, if your name was pulled.

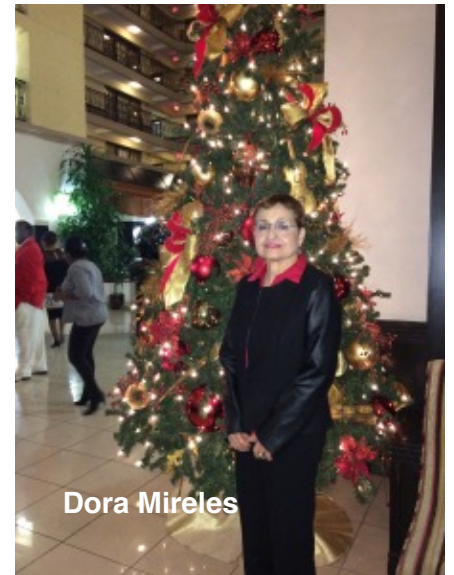

Before the night was over, some of our more athletic attendees took to the dance floor for a little line dancing to the music.
