

TIHAA Christmas Party - December 8, 2019

by Lola McMann

A total of 45 TIHAA members and their guests attended the 2019 TIHAA Christmas party.

After two years of having the party in the daytime, it has turned out to be a hit. As we all get older, we don't like driving at night. The party took place at the Crowne Plaza Hotel. The afternoon of dining and visiting with old friends was enjoyed by all. The weather was crisp and sunny and made the commute more accessible.

Members were able to enjoy the hors d'oeuvres of cheese, crackers and fruit while waiting for the wonderful meal that consisted of chicken & beef and all the sides. Thomas Johnson said a prayer asking God to bless our fellowship and the meal which was enjoyed by all. Compliments were abundant. A bottle of wine was on each of the tables for the members to imbibe in. Many thanks to Gary Lockett for purchasing the wine.

Lawson Cook took photos of the guests in front of the Christmas tree as they arrived, in the lobby right outside the room.

We had soft music in the background provided by a tablet but the speakers were forgotten so the music was very low. The better for the members to be able to visit. The members enjoyed seeing

old friends and co-workers that they don't see very often.

Ex president Gary Luckett announced the drawings for the door prizes and they were given out after the meal and the folks had visited for a while. A total of 15 gifts were won by the attendees including 3 bottles of wine. Thanks to Lola for handing out the prizes. The prize winners were as follows:

The bottles of wine: Gwen Butler, Jean Houston and Corall Harrington.

Poinsettias were won by Mike Camara, Brenda Taylor, MaryLee Cameron, Ralph Garcia, Israel Morales, Daryl Moss, Della Duhart, Mary Brown, Fermina Sutter, Kay Cook, Brenda Moss and Terri Carter.

Many thanks to Lola for organizing this event and to Della for helping to take care of the signing in as guests arrived.
